A primary care physician in the Department of Primary Care Medicine, UMMC since 2015. Involved in clinical, academic & administrative duties. Has several areas of interest including communication skills, patient behavior, social media education, vaccine advocacy & tobacco control. Head coordinator of the UMMC Primary Care Clinic for the last 2 years.

Holds a degree in Master of Medicine (Family Medicine) from Universiti Malaya, Malaysia.

Lives in KL. Enjoys making music & hiking. Also an avid scuba diver, being certified an Advanced Open Water diver with great interest in coral conservation. Often involved in community work & online education via his NGO, the Medical Mythbusters Malaysia, M3.

An adept and experienced public speaker and policy communicator, he believes in the transformative power of effective communication and its ability to drive positive changes.

"everyone has priorities based on their own values & expectations. Help them meet those and we'll inspire goodness"
