

We cordially invite you to the launch of our new report on

Changing Wildfires

Policy Options for a Fire-literate and Fire-adapted Europe

Monday 19 May 2025

In-person: 12:00h – 15:00h CEST | Representation of the State of North Rhine-Westphalia to the EU, Rue Montoyer 47, 1000 Bruxelles
Online: 12:30h – 14:30h CEST | Livestream via [EASAC YouTube Channel](#)

As Europe faces a dramatic increase in large-scale wildfires, urgent policy action is needed to improve wildfire prevention and management. Our new report explores critical options for developing fire-literate societies and creating the conditions for more resilient, fire-adapted communities.

Join us as we launch this important publication and bring together scientists, policymakers, and stakeholders to explore the key findings and discuss the future of wildfire policy in Europe.

Register for in-person or online participation here: <https://easac-events.eu/event/changing-wildfires>

Seats are limited and will be allocated on a first-come, first-served basis. The event will be livestreamed on the EASAC YouTube channel – please register for online participation to receive a reminder.
